Gray, TN 37615

30 Jun 26

To: JROTC Units and ALL Rifle Clubs (Sporter Class Only)

Subj: DANIEL BOONE HIGH SCHOOL 2026-2027 MUSKET & BALL AIR RIFLE VIRTUAL AND POSTAL MATCH

1. The Daniel Boone High School MCJROTC cordially invites your unit to compete in our 2026-2027 Musket & Ball Air Rifle Virtual/Postal Match. This competition is open to Sporter class shooters in your program or club. Shooting teams will be able to compete in one of two categories: Sporter "Veteran" and Sporter "Boot".

2. Participants will shoot as four (4) member teams or as individual shooters. **No shooter may be a member of more than one team.**

3. If your unit does not participate in a marksmanship program or you wish to be removed from our mailing list, please assist us in managing our mailing list by simply indicating your selection on the entry form and returning it, or send an email.

4. Please feel free to pass along this invitation to any other school within your area whom you believe may wish to participate in our match.

5. The following information is furnished regarding the postal match.

ENTRY: Entry fee is $60 for the first team; see entry form for all subsequent teams. The entry fee for individual shooters who are not part of a team is $15 each. Units may enter as many teams and individuals as they wish. The non-refundable entry fee will enter all members of the team into the competition for their category. **Entry forms and fees are due NLT 11 December 2026** in order to allow time to "child" units to the "parent" match. Checks should be made payable to Daniel Boone High School MCJROTC.

FIRING PERIOD: Match shooting may occur any time between **7 September 2026 and 8 January 2027**. All targets and Unit Firing Reports must be **postmarked no later than midnight 8 January 2026**. Failure to return targets by the date indicated may result in disqualification.

TEAMS: Teams will consist of four (4) Cadets, any gender, enrolled in the school's JROTC program or shooting club. No individual may compete on more than one team. There are two team categories: Sporter Veteran, and Sporter Boot. **A team is considered a "Veteran" team if one of its members is an experienced shooter with formal marksmanship training prior to this year. A "Boot" team is completely comprised of first year, inexperienced shooters.** A "Boot" shooter on Veteran teams (if identified) will also compete in the "Boot" individual

category. Sporter shooters must use non-precision air rifles and equipment as classified by the 2024-2026 National Standard Three-Position Air Rifle Rules for Sporter competition.

COURSES OF FIRES/RULES: Firing will take place on a standard 10-meter (33 Feet) course measured from firing line to target. The course of fire will consist of 10 shots in each of the Kneeling, Prone, and Standing positions. Only one 10-bulls-eye target will be used for each position. Unlimited practice shots (Sighters) are allowed during the sighting stages, but they must stay inside the practice oval. Any shot outside the practice oval will count as a shot on the target. The match and all conditions will be governed by the 2024-2026 National Standard Three-Position Air Rifle Rules.

TARGETS: **The match will be computer scored; therefore, only ORION 10 Meter Air Rifle Targets or Orion/Scopos compatible ETSs are to be use for this match.**

There will be three methods of competing in the match; (1) virtually through Orion, (2) virtually with electronic targets compatible with Scopos, or (3) traditional mail-in utilizing Orion targets.

1. For those units/clubs that prefer the virtual option, the unit name **(as it appears in Orion/Scopos) AND Orion/Scopos account number is required*** in order to "child" your team(s) to the "parent" match. This information must be entered on the registration form. For this option, once your team(s) is "childed" to the match, you will simply download the match, shoot the match, score your targets through Orion, and finalize the scores on the "match results" page.

2. For those units/clubs that prefer the virtual option utilizing electronic targets, the unit name **(as it appears in Orion/Scopos) AND Orion/Scopos account number is required** in order to "child" your team(s) to the "parent match. You are also responsible for ensuring your ETS is compatible with Scopos scoring platform. For this option, once your team(s) is "childed" to the match, you will simply download the match, shoot the match, finalize the scores on the "match results" page. Again, all information must be entered on the registration form.

3. For those units/clubs that choose the traditional mail-in option, teams will provide their own Orion targets. If your program does not have Orion targets, send an e-mail as soon as possible with the number of targets needed and a correct mailing address and we will mail Orion targets to you. There will be an additional charge for postage and handling for targets sent. See the entry form for details.

*Note: Your Orion account number is usually a 4 or 5-digit alphanumeric number specific to your team/club. This information is only used to differentiate one "Central High School" from another.

TARGET IDENTIFICATION: Target stickers are not required but are highly encouraged. If target stickers are not used, each target must be legibly labeled on the **FRONT, TOP RIGHT CORNER** with the following information: Shooter Name, School Name, Team Designation (i.e. Team A), Category Sporter ((V) or (B)), and Position (use the P, S, K "bubbles" to indicate target position). See example target below for proper labeling. **The attached Unit Firing**

Report must be legibly completed and returned with the targets. This will ensure the shooter's name and category is correctly entered in the database.

SCORING: Scoring will be computed by the Orion Scoring System. Participating Teams may only sight score their own targets before sending them to Daniel Boone High School. Any effort to "plug" a shot may result in disqualification as the Orion System will not recognize a "plugged" shot. Team member scores will be added for team aggregate score.

TIED SCORES: The scores will be broken in accordance with the National Standard Three-Position Air Rifle Rules for breaking ties.

AWARDS: Awards will be presented in Veteran and Boot categories. Team trophies will be presented for the highest overall team scores, 1st through 3rd place. Individual medals will be presented for 1st through 3rd place highest overall individual aggregate score.

RESULTS: Match results and awards will be mailed as soon as scoring tabulation is complete (estimated late January 2027).

6. The point of contact for this event is Major Steven Sessis, majorsessis@gmail.com , 423-477-1612.

DANIEL BOONE HIGH SCHOOL 2026-2027 MUSKET & BALL AIR RIFLE POSTAL MATCH ENTRY FORM

Entry Date: Prior to 11 December 2026
Competition Dates: 7 Sep 2026 – 8 Jan 2027
Target Due Date: Must be postmarked no later than 8 Jan 2027

Service: ____AJROTC ____NJROTC ____MCJROTC ____AFJROTC ____Club

School/Club Name:_____ **Orion Account #:**_____

Address: _____

City, State/Zip: _____

Coach Name: _____

Email Address: _____

Phone: _____

Indicate the number of teams and individuals that will be competing in each category. Reminder, the Entry Fee (non-refundable) enters all members of the team into the individual competition for that category. Boots who shoot on a "Veteran" team will still be eligible for individual awards as a Boot.

Total Number of Teams	Total Cost	Method of Participation
1	$60	Virtual Orion ☐
2	$110	Virtual ETS ☐
3	$150	Mail-In ☐
4	$180	
5	$200	
Individual	$15	

Number of Veteran Teams: _____ Number of Boot Teams:____
Number of Veteran Individual: _____ Number of Boot Individual: ____

Total Entry Cost of Team(s): = $_____

Total Number of Individual: _____ X $15 = $_____

Total Amount Enclosed = $_____

Make checks payable to "Daniel Boone High School MCJROTC" and mail completed Entry Forms and Checks to the following address.
